

True Bearing Terms of Business Letter

The FSA is the independent watchdog that regulates financial services. This document has been designed to be given to consumers considering buying certain financial products. Use this information to decide if our services are right for you.

True Bearing is a firm of financial advisers who believe passionately about the importance of face to face financial advice. Our ethos is built on a belief of excellence, honesty, dynamism and high quality of service. The aim of True Bearing is to be the premier financial services company in the North West.

Our Services

True Bearing is able to act on your behalf in advising you on investments, mortgages and non investment insurance contracts. We offer products and services as follows:

- We offer investment products from the whole of the market.
- We offer non investment products from the whole of the market.
- We also offer mortgage products from the whole of the market. Where we propose to do so we will provide you with a separate Initial Disclosure Document detailing the services we offer and the costs of those services.

We offer you an initial discussion (without charge) when we will describe our services more fully and explain the payment options. If you decide to go ahead, we will:

- gather and analyse personal information about you, your finances, your needs and objectives;
- recommend and discuss any action we think you should take and, with your agreement, arrange relevant investments for you.

Referrals

Clients may be referred to True Bearing from Companies who have a professional connection with True Bearing, e.g. Solicitors and Accountants. Advice given by True Bearing Advisers is based solely on information gathered by the Adviser directly from the client. This advice is not influenced by the professional connection, other than by facts given by that firm with the permission of the client. True Bearing is responsible for the independent financial advice and not the referring firm.

Your Aims and Objectives

Unless we notify you in writing to the contrary, we will be treating you as a “retail client”. This means that you are afforded the highest level of protection under the regulatory system and should have the right to take any complaint to the Financial Ombudsman Service.

Any advice or recommendation that we offer to you, will only be given after we have assessed your needs and considered your financial objectives and attitude to any risks that may be involved. We will also take into account any restrictions that you wish to place on the type of products you would be willing to consider.

With very few exceptions, we will confirm to you in writing the basis of our recommendation in a Suitability Report, which we will issue to you following our recommendation, along with details of any special risks associated with the product recommended.

Full details of the products we may recommend to you including, for example, the minimum duration of the product, information on the right to cancel or whether no right to cancel arises, and any other early termination rights and penalties, will be covered in the relevant product disclosure information you will receive before conclusion of any contract.

We will issue any documentation/recommendations and any other communication to you in English (unless agreed otherwise).

In executing or transmitting orders on your behalf to third parties, we will take all reasonable steps to ensure that we obtain the best possible result for you in terms of best execution.

We may also on occasion, advise on other financial products which are not regulated by the FSA under the Financial Services and Markets Act 2000. The Financial Services Compensation Scheme does not apply to any of these products.

Under the terms of this agreement, we may if appropriate advise you on investments which are not readily realisable. We would draw your attention to the risks associated with these investments as there is a restricted market for them. In some circumstances it may therefore not be possible to deal in the investment or obtain reliable information about its value.

Our services may also include advice on investments relating to, or executing transactions in units in unregulated collective investment schemes. Accordingly, you should carefully consider whether such investments are suitable for you in light of your personal circumstances and the financial resources available to you.

Please note that any products we have arranged for you, will be reviewed with you at agreed service intervals. We may also contact you in the future by means of an unsolicited promotion (by telephone or post) should we wish to discuss the relative merits of a particular product or service which we feel may be of interest to you.

Please be aware that investments can fall as well as rise, and that you may not get back the full amount invested. The price of investments we may recommend may depend on fluctuations in the financial markets, or other economic factors, which are outside our control. Past performance is not necessarily a guide to future performance. Specific warnings relevant to the investments, or investment strategies, we recommend will be confirmed to you in your Suitability Report.

Client Money

True Bearing IS NOT permitted to handle client money and we cannot accept a cheque made out to us, unless it is in respect of an item for which we have sent you an invoice. We do not handle cash.

Documentation

We will endeavour to make arrangements for all your investments to be registered in your name unless you first instruct us otherwise in writing. All Policy Documents will be forwarded to you as soon as practicable after we receive them. If there are a number of documents relating to a series of transactions, we will normally hold each document until the series is complete and then forward them to you.

Cancellation rights

In most cases you can exercise a right to cancel, by withdrawing from the contract recommended to you. In general terms you will normally have a 30 day cancellation period for a life, pure protection, payment protection or pension policy and a 14 day cancellation period for all other policies.

The start of the cancellation period will normally begin, for pure protection policies, when you are informed that the contract has been concluded or, if later, when you have received the contractual terms and conditions. In other cases, the cancellation period will begin on the day the contract is concluded or, if later, the day on which you receive the contractual terms and conditions. Instructions for exercising the right to cancel, if applicable, will be contained in the relevant product disclosure information which will be issued to you.

If you cancel a single premium contract, we may require you to pay for any loss you might reasonably incur in cancelling it which is caused by market movements. This means that, in certain circumstances, you might not get back the full amount you invested if you cancel the policy

Additional Protection

We are authorised and regulated by the Financial Services Authority ('FSA'), 25 The North Colonnade, Canary Wharf, London, E14 5HS. Our FSA Register number is 486512. Our permitted business is advising on and arranging pensions, savings and investment products, mortgages and non investment insurance contracts. We are also authorised to advise UK citizens who are wholly or partially resident in France, Spain and Cyprus. You can check this on the FSA's Register by visiting the FSA's website www.fsa.gov.uk/register or by contacting the FSA on 0845 606 1234.

In the event that you are dissatisfied with a recommendation we have made you may be entitled to make a complaint. We have a complaints procedure that is available on request. If you wish to register a complaint, please contact us:

In writing: to The Compliance Officer
True Bearing Ltd

By phone: 01257 260011.

For your further protection if you cannot settle your complaint with us, you may be entitled to refer it to the Financial Ombudsman Service ('FOS').

We are covered by the Financial Services Compensation Scheme ('FSCS'). You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim.

Most types of investment business are covered for up to a maximum of £50,000.

Insurance advising and arranging is covered for 90% of the claim, without any upper limit.

Further information about compensation scheme arrangements is available from the FSCS.

www.fscs.org.uk/consumer

Please be assured we treat complaints very seriously.

Pennine Wealth Solution Portfolios

Cash held in the accounts of Praemium (held with HSBC) will qualify for protection under the FSCS. In the event of a claim, the rules of the FSCS will apply.

The maximum depositor compensation limit is £85,000 per person. Compensation limits apply to individuals not accounts. This means that for joint accounts the limit applies to each named account-holder. So for example, if you have a joint account with your spouse or partner, you could **each** make a claim of up to £85,000 under the deposit limits.

Any debit balances or other due but unpaid amounts owed by investors will be deducted from the total amount payable.

Conflict of interest

We will endeavour always to act in the best interests of our clients. However, circumstances can arise where we or one of our other customers may have some form of interest in business being transacted for you. If this happens or we become aware that our interests or those of one of our other customers conflict with your interests, we will write to you and obtain your consent before we carry out your instructions, and detail the steps we will take to ensure fair treatment.

We obtain professional support services from threesixty services LLP, who provide us with regulatory and business advice. Threesixty are supported by product providers, fund managers and platforms, through the provision of training resources and occasionally through commission payments made direct to them, which can be used to offset our own fees to them. In the event that threesixty is remunerated through commission, this will be disclosed in the literature provided to you, and in no way will it affect the charges you pay.

Pennine OEIC

As the creators of the Pennine proposition True Bearing will receive a marketing fee of typically 0.25% per annum which is paid out of the annual management charge of 1.5% and is in addition to any other fees or commission received. For direct investments (e.g. not placed through an insurance company) True Bearing will also receive a marketing fee of 0.75% paid from the initial charge of 4%. These fees recognise the role of True Bearing in creating the Pennine investment offering. Full details of our conflicts of interest policy detailing how we manage any conflicts of interest are available on request.

For example, on a direct investment of £10,000 there is an initial charge of £400 of which £75 is paid to True Bearing as a marketing fee. In the same instance, True Bearing would receive £25 per annum from the annual management charge based on a £10,000 investment..

Pennine Wealth Solutions

True Bearing independent financial advisers may be voting/non-voting members in Pennine Wealth Solutions LLP.

Pennine Wealth Solutions is a service framework company created to develop investment solutions. This shareholding does not alter our regulatory responsibility to provide you with impartial advice, and so should not influence our advice to you. Please ask if you wish to discuss this in further detail.

Disclosure of charges/fees

All charges/fees will be fully disclosed to you. These will be disclosed in summary form before we undertake any work for you. The precise charges relating to any recommendations we make will be confirmed in your Suitability Report or relevant product disclosure information that is provided to you.

There is no additional cost to you for using a means of distance communication.

Our Remuneration

Investment Transactions and Protection Plans.

Following our initial discussion (without charge) should you decide to go ahead there is a cost for our services. We offer a variety of methods by which we can be remunerated so that you can select the method that best suits your needs.

The options:

1. Paying by fee.

Whether you buy a product or not, you will pay us a fee for our advice and services. If we also receive commission from the product provider when you buy a product, we will pass on the full value of that commission to you in one or more ways. For example, we could (a) rebate it to you in the form of enhanced benefits (b) use it to reduce your regular premiums (c) offset it against our fees, as appropriate.

2. Paying by commission (or product charges).

If you buy a financial product, we will normally receive commission on the sale from the product provider. Although you pay nothing up front, that does not mean our service is free. You still pay us indirectly through product charges. Product charges pay for the product provider's own costs and any commission the provider may pay to us. These charges reduce the amount left for investment. If you buy direct, the product charges could be the same as when buying through an adviser, or they could be higher or lower. We will tell you how much the commission will be before you complete an investment, but you may ask for this information earlier.

3. Paying by a combination of commission and fee.

In some circumstances, we also charge a fee on top of any commission we might receive.

We have detailed the options further below:

1. Paying by Fee

If you choose the fee option:

(a) Hourly Rate

We will agree the rate we will charge before beginning work. We will tell you if you have to pay VAT. Our typical charges are:

Chartered Financial Planner	£225 per hour
Diploma qualified Financial Adviser	£180 per hour
Certified Financial Adviser	£135 per hour
Paraplanning	£40 per hour

You may ask us for an estimate of how much in total we might charge. You may also ask us not to exceed a given amount without checking with you first.

(b) Portfolio basis

This is based upon a percentage of the portfolio to be reviewed. We will tell you if you have to pay VAT.

Our typical charges are:

Assets	Percentage
Up to and on the first £100,000	3%
Between £100,001 and £250,000	2%
Between £250,001 and £500,000	1%
Over £500,000	0.5%

<u>Example</u>	<u>Percentage</u>	
Total Value of Assets		£200,000
First £100,000	3%	£3,000
Next £100,000	2%	£2,000
Total Fee Payable		£5,000

2. If you choose the commission option (or product charges)

If you buy a financial product, we will normally receive commission on the sale from the product provider. Although you pay nothing to us up front, that does not mean our service is free. You still pay us indirectly through product charges. Product charges pay for the product provider's own costs and any commission. These charges reduce the amount left for investment. If you buy direct, the product charges could be the same as when buying through an adviser, or they could be higher or lower.

The amount of commission payable can vary and depends on a number of different factors – for example: the type of product, the amount you invest, and (sometimes) how long you invest for, or your age when you start the product. We will confirm the actual amount to you before you buy a product.

For example:

- If you invest £10,000 in an individual savings account (ISA) we would receive a fee of 3% of the amount invested ie.£300 and up to 1.00% of the value of the fund (£100 every year).

3. Paying by a combination of commission and fees

Commission can be used to pay for our services or used to offset our fees agreed above.

Where a fee basis has been selected as the method of remuneration, commission that would otherwise become payable for policies arranged on your behalf will be (a) rebated to you in the form of enhanced benefits (b) used to reduce your regular premiums (c) offset against our fees as appropriate.

In the event of policy cancellations and where the policy provider has sought repayment of commissions previously paid by them, we reserve the right to charge a reasonable fee to cover the cost of repaying such commissions.

We will discuss the different offsetting routes mentioned above to assess your preferred option as part of the recommendation process.

We can offer a number of options to clients on how to pay for our services depending on the work being done.

Termination

You or we may terminate our authority to act on your behalf at any time, without penalty. Notice of this termination must be given in writing and will take effect from the date of receipt. Termination is without prejudice to any transactions already initiated which will be completed according to these terms of business unless otherwise agreed in writing. You will be liable to pay for any transactions made prior to termination and any fees outstanding, if applicable.
